  - (i) the Mandatory Conversion shall occur on the Dealing Day referred to in the notice to the affected Member which shall be at least ten Business Days (or such other minimum period required by the Central Bank) after the date of dispatch of the notice (the “**Mandatory Conversion Date**”).   - (ii) the Mandatory Conversion shall result in the Member being issued with shares in an existing class in which the Member is otherwise eligible to invest.

  - (iii) no shares shall be issued until the Investments shall have been vested in the Depositary to the Depositary's satisfaction;

The Directors may however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto. - (e) Payment to a Member under this Article will ordinarily be made in the Base Currency, or in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be dispatched within fourteen days (or such other period referred to in the Prospectus) following the Dealing Day on which the repurchase is effected as provided for in Article 10(a) above.

- (h) If the Company receives requests for the repurchase of shares in respect of ten per cent. or more of the Net Asset Value of any Sub-Fund on any Dealing Day, the Directors may elect to restrict the total Net Asset Value of shares of that Sub-Fund to be repurchased to ten per cent. or such other amount as may be specified of the Net Asset Value of that Sub-Fund, in which case all the relevant requests will be scaled down *pro rata* to the number of shares requested to be repurchased in the Sub-Fund and shall treat the repurchase requests as if they were received on each subsequent Dealing Day (in relation to which the Company has the same power of deferral at the then prevailing limit) until all the shares to which the original request related have been repurchased and in such cases the Company may reduce requests *pro rata* on the next and following Dealing Days so as to give effect to the above limitation. The Company shall notify any applicant if his application is deferred in which case a Member may revoke or withdraw a repurchase request, either in respect of the request to the portion which has been deferred or otherwise, by not less than 15 days' written notice to the Company before the relevant Dealing Day.
- (i) At the discretion of the Directors and with the consent of the Member making the repurchase request, the Company may satisfy any application for repurchase of shares by the transfer to those Members of assets of the Company *in specie*, **PROVIDED THAT** the Company shall transfer to each Member that proportion of the assets of the Company which is then equivalent in value to the shareholding of the Member the subject of the repurchase request, but adjusted as the Directors may determine to reflect the liabilities of the Company **PROVIDED ALWAYS THAT** the nature of the assets and the type of assets to be transferred to each Member shall be determined by the Directors on such basis as the Directors in their sole discretion shall deem equitable and not materially prejudicial to the interests of the remaining Members and subject to the approval of the Depositary, and for the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Net Asset Value. At the request of a Member making a repurchase request assets will be sold by the Company and the proceeds of the sale (less any costs incurred in the sale) transmitted to the Member. A determination to provide repurchases *in specie* may be made solely at the discretion of the Directors where a redeeming Member requests repurchase of a number of Shares that represent 5 per cent. or more of the Net Asset Value of a Sub-Fund. In this event the Directors will, if requested, sell the assets on behalf of the Member.

- (j) In the event that the Company is required to deduct, withhold or account for tax on a disposal of shares held by a Member (whether upon a repurchase of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a Member (whether in cash or otherwise) or in any other circumstances in which a taxation liability arises, the Directors shall be entitled to deduct or withhold from the proceeds of repurchase or distribution such amount, or arrange for the repurchase and cancellation of such number of the shares of such Member as are sufficient, after the deduction of any repurchase charges, to discharge any such amount and the Directors may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require. The Depositary shall ensure that the repurchase proceeds are held for the purposes of discharging any applicable tax liability as aforesaid.
- (k) Where the Company receives a request for the repurchase of Shares from any Member in respect of which the Company is required to account for, deduct or withhold taxation, the Company shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the Company is required to account for, deduct or withhold.
- (l) In the event that the amount payable to a Member on a repurchase is exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member, the Company shall be entitled to retain such repurchase proceeds for the benefit of all of the remaining Members provided that in no event shall the value of such repurchase proceeds exceed USD20 (or its equivalent in Euro) for any Member.

#### 11. TOTAL REPURCHASE

- (a) With the sanction of the majority of the votes cast by holders of the Shares in the Company, a Sub-Fund or a class voting at a general meeting of the Company, the Company may repurchase all of the shares of the Company, Sub-Fund or class at the Net Asset Value for such shares.
- (b) If so determined by the Directors, provided that not less than twenty one days' notice in writing has been given to the holders of the Shares of the Company or Sub-Fund or Class, as appropriate, that all of the Shares of the Company, the Sub-Fund or the class, as the case may be, shall be repurchased by the Company.
- (c) If no replacement depositary shall have been appointed during the period of ninety days commencing on the date the Depositary or any replacement thereof shall have notified the Company of its desire to retire as depositary or shall have ceased to be approved by the Central Bank, the Company may repurchase all of the shares of the Company.
- (d) If all of the shares in the Company or in any Sub-Fund or class are to be repurchased as aforesaid, the Company may, with the authority of an Ordinary Resolution of the Members of the Company, the relevant Sub-Fund or class, as the case may be, or with the consent of any Member divide amongst the relevant Members or to any individual Member who so consents *in specie* all or part of the assets of the Company or of the Sub-Fund or class according to the value of the shares then held by each relevant Member as determined in accordance with Article 12 hereof. At the request of a

Member, the relevant assets will be sold by the Company and the proceeds of the sale (less any costs incurred in the sale) transmitted to the Member.

- (e) If all of the shares in the Company or in any Sub-Fund or class are to be repurchased as aforesaid and the whole or any part of the business or property of the Company or a Sub-Fund or class or any of the assets of the Company or a Sub-Fund or class are proposed to be transferred or sold to another company (hereinafter called the “**Transferee**”), the Company may with the sanction of a Special Resolution of the relevant Members conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee for distribution among the relevant Members, or may enter into any other arrangement whereby any Member may *in lieu* of receiving cash or property, or in addition thereto, participate in the profits of, or receive, any other benefit from the Transferee. At the request of relevant Members assets will be sold by the Company and the proceeds of the sale (less any costs incurred in the sale) transmitted to the Member.
- (f) Where a repurchase of shares pursuant to this Article 11 would result in the number of holders of shares falling below two or such other minimum number stipulated by statute or where a repurchase of shares would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain pursuant to applicable law, the Company may defer the repurchase of the minimum number of shares sufficient to ensure compliance with applicable law. The repurchase of such shares will be deferred until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the repurchase can be effected. The Company shall be entitled to select the shares for deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

## 12. DETERMINATION OF NET ASSET VALUE

- (a) The Company shall determine the Net Asset Value of the Company, each class and each Sub-Fund as of each Valuation Point. The Net Asset Value shall be expressed in the Base Currency or currency of denomination of the relevant class as a per share figure for the issue of shares and for the repurchase of shares respectively, as appropriate, and shall be determined in accordance with Article 13 hereof.
- (b) The Net Asset Value per share of a Sub-Fund shall be calculated by dividing the value of the gross assets of the relevant Sub-Fund less all of the liabilities attributable to that Sub-Fund by the number of shares in issue in that Sub-Fund as of the relevant Dealing Day. Any liabilities of the Company that are not attributable to any Sub-Fund shall be allocated amongst the Sub-Funds based on their respective Net Asset Values or on any other basis approved by the Depositary having taken into account the nature of the liabilities.

The Net Asset Value per share shall be rounded upwards or downwards to the number of decimal places specified in the Prospectus.

- (c) Where a Sub-Fund is made up of more than one class of shares, the Net Asset Value of each class shall be determined by calculating the amount of the Net Asset Value of the relevant Sub-Fund attributable to each class. The amount

of the Net Asset Value of a Sub-Fund attributable to a class shall be determined by allocating relevant assets, liabilities and Class Expenses (as defined below) and fees to the class and making appropriate adjustments to take account of distributions paid out of the Sub-Fund, if applicable, and apportioning the Net Asset Value of the Sub-Fund accordingly. The Net Asset Value per share of a class shall be calculated by dividing the Net Asset Value of the class by the number of shares in issue in that class. Fees or charges not attributable to a particular class may be allocated amongst the classes based on their respective Net Asset Value or any other reasonable basis approved by the Depositary having taken into account the nature of the fees and charges. Class Expenses, fees and charges relating specifically to a class will be charged to that Class. In the event that classes of shares within a Sub-Fund are issued which are priced in a currency other than the Base Currency for that Sub-Fund, currency conversion costs will be borne by that class.

“**Class Expenses**” means the expenses of registering a class in any jurisdiction or with any stock exchange, regulated market or settlement system and such further expenses arising from such registration and such further expenses howsoever arising as may be disclosed in the Prospectus. The cost of converting currency and the costs and gains/losses of the hedging transactions are borne solely by the relevant class.

- (d) Where the Directors determine to do so in the circumstances described more particularly in the Prospectus they may charge a Dilution Adjustment. The charging of a Dilution Adjustment may either reduce the repurchase price or increase the subscription price of the shares in a Sub-Fund. Where a Dilution Adjustment is made, it will increase the Net Asset Value per share where the Sub-Fund receives net subscriptions and reduce the Net Asset Value per Share where the Sub-Fund receives net repurchases.

The Dilution Adjustment for each Sub-Fund, if any, will be calculated by reference to the estimated costs of dealing in the underlying investments of that Sub-Fund, including any dealing spreads, commissions and transfer taxes. The price of each class of Share in a Sub-Fund will be calculated separately but any Dilution Adjustment will affect the price of shares of each class in a Sub-Fund in an identical manner.

- (e) The Company at any time may, but shall not be obliged to, temporarily suspend the determination of the Net Asset Value and the issue, conversion and repurchase of shares of the Company or a Sub-Fund, during:
- (i) any period (other than ordinary holiday or customary weekend closings) when any market is closed which is the main market for a significant part of a Sub-Fund’s investments, or when trading thereon is restricted or suspended;
  - (ii) any period during which the disposal or valuation of Investments which constitute a substantial portion of the assets of a Sub-Fund is not practically feasible or if feasible would be possible only on terms materially disadvantageous to Members;
  - (iii) any period when for any reason the prices of any investments of a Sub-Fund cannot be reasonably, promptly or accurately ascertained by the Administrator;

- (iv) any period when remittance of monies which will, or may be, involved in the realisation of, or in the payment for, investments of a Sub-Fund cannot, in the opinion of the Directors, be carried out at normal rates of exchange;
  - (v) any period when the proceeds of the sale or repurchase of the shares cannot be transmitted to or from a Sub-Fund's account;
  - (vi) any period when a notice to terminate a Sub-Fund has been served or when a meeting of Members has been convened to consider a motion to terminate a Sub-Fund;
  - (vii) upon the occurrence of an event or decision causing the Company or any Sub-Fund to terminate; or
  - (viii) in exceptional cases, where the circumstances so require, and where the Directors consider it justifiable to do so having regard to the best interests of the Members as a whole.
- (f) A suspension of repurchases may be made at any time prior to the payment of repurchase proceeds and the removal of the Member's name from the Register. A suspension of subscriptions may be made at any time prior to the entry of a Member's name on the Register or adjustment of an existing entry for that Member.
- (g) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of shares shall be effected on the substitute Dealing Day. Alternatively the Company may elect not to treat such Business Day as a substitute Dealing Day in which case it shall notify all applicants for shares and Members requesting repurchase of shares of such suspension who shall then be entitled to withdraw their applications and repurchase requests by the date stated in the notification and the Company shall notify the shareholders of the resumption of the determination of the Net Asset Value and the issue, conversion and repurchase of shares.
- (h) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the Company, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and in any event within the same Business Day as the suspension. Where possible, the Directors shall take all reasonable steps to bring such a suspension to an end as soon as possible.

### 13. VALUATION OF ASSETS

- (a) The Net Asset Value of the Company shall be calculated as at each Valuation Point in accordance with the provisions of this Article 13:
  - (i) investments listed, traded or dealt in on a Regulated Market for which market quotations are readily available shall be valued at the last traded price as at the Valuation Point in the relevant Regulated Market, provided that the value of the investment listed, traded or dealt in on a Regulated Market but acquired or traded at a premium

or at a discount outside or off the relevant stock exchange may be valued, taking into account the level of premium or discount as at the date of valuation of the investment and the Depositary must ensure that the adoption of such procedure is justifiable in the context of establishing the probable realisation value of the security;

- (ii) if the investment is normally listed, traded or dealt in on or under the rules of more than one Regulated Market, the relevant Regulated Market shall be that which constitutes the main market for the investment;
- (iii) if prices for an investment listed, traded or dealt in on the relevant Regulated Market are not available at the relevant time or are unrepresentative, or in the event that any investments are not listed or traded on any Regulated Market, such investment shall be valued at such value as shall be certified with care and good faith as the probable realisation value of the investment by a competent professional person appointed by the Directors or the Manager, as the case may be, and approved for such purpose by the Depositary which may be the Investment Manager. Neither the Manager, the Investment Manager, nor the Administrator shall be under any liability if a price reasonably believed by them to be the latest available price for the time being may be found not to be such;

In the case of securities purchased by a Sub-Fund in initial public offerings, the probable realisation value of such securities shall be the offering price until such time as the securities are listed on a Regulated Market (from which time they shall be valued in accordance with the relevant provisions above).

- (iv) units or shares in collective investment schemes which are not valued in accordance with the provisions above shall be valued on the basis of the latest available net asset value per unit/share as published by the collective investment scheme;
- (v) cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the Directors or the Manager, as the case may be, any adjustment should be made to reflect the fair value thereof;
- (vi) exchange-traded derivative instruments shall be valued at the relevant settlement price on the applicable exchange, provided that if the settlement price of an exchange-traded derivative instrument is not available, the value of such instrument shall be the probable realisation value estimated with care and in good faith by a competent person appointed by the Directors, or the Manager, as the case may be and approved for the purpose by the Depositary. Over-the-counter derivative instruments shall be valued daily using either the counterparty valuation or an alternative valuation, such as a valuation calculated by the Company or the Manager, as the case may be, or by an independent pricing vendor appointed by the Company or the Manager, as the case may be, provided the Company or the Manager or other party has adequate human and technical means to perform the valuation and approved for that purpose by the Depositary. The counterparty to derivative instruments not traded on

an exchange must be prepared to value the contract and to close out the transaction at the request of the Company or the Manager, as the case may be, at fair value. Where the counterparty valuation is used, the valuation must be approved or verified by an independent party who is approved for the purpose by the Depositary and who is independent of the counterparty at least weekly. The independent verification shall be carried out at least weekly. Where an alternative valuation is used, the Company shall follow international best practice and shall adhere to the principles on the valuation of over-the-counter instruments established by bodies such as IOSCO and AIMA. Such valuation shall be reconciled on a monthly basis to the valuation provided by the counterparty to such instrument. Where significant differences arise these will be promptly investigated and explained. Forward foreign exchange contracts shall be valued by reference to the price at which a new forward contract of the same size and maturity could be undertaken as of the close of business on the day of the relevant Valuation Point.

- (vii) the Company may apply an amortised cost method of valuation in respect of money market instruments in a money market fund or a non-money market fund in accordance with the requirements of the Central Bank;
  - (viii) the Directors may adjust the Net Asset Value per share where such an adjustment is considered necessary to reflect the fair value in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant; and
  - (ix) in the event of it being impossible or incorrect to carry out a valuation of a specific investment in accordance with the valuation rules set out above or if such valuation is not representative of an asset's fair market value, a competent person appointed by the Directors or the Manager, as the case may be, and approved for the purpose by the Depositary is entitled to use such other generally recognised valuation method in order to reach a proper valuation of that specific instrument, provided that such method of valuation has been approved by the Depositary.
- (b) Shares in any Trading Assets Subsidiary shall be valued by reference to the value of the underlying assets of that Trading Assets Subsidiary (as adjusted to reflect relevant liabilities) which in turn will be valued in accordance with the provisions of this Article.
  - (c) Amounts determined in accordance with such valuation principles shall be translated into the currency of the Sub-Fund's accounts at the respective average exchange rates, using the relevant rates quoted by a bank or another first class financial institution.
  - (d) If, pursuant to special circumstances, valuation according to the above-described principles is impracticable or unfair, the Company is authorised to use other generally accepted valuation principles as may be verified by its independent auditors and approved by the Depositary, in order to obtain a fair determination of the value of the assets of the Company, a Sub-Fund or class.

- (e) The Directors, with the approval of the Depositary, may adjust the Net Asset Value per share when calculating realisation prices for any Sub-Fund, to reflect the value of such Sub-Fund's investments assuming they were valued using the bid price on the relevant market at the relevant time **PROVIDED THAT** such valuation methodology shall be applied on a consistent basis in respect of all asset classes. The Directors' intention is only to exercise this discretion to preserve the value of the holdings of continuing Members in the event of substantial or recurring net repurchases of shares in the relevant Sub-Fund.
- (f) For the purposes of valuation of its liabilities, the Company may take into account all ongoing or periodic administrative and other expenses by valuing them for the entire year or any other period and by dividing the amount concerned proportionately for the relevant fractions of such period.
- (g) In calculating the Net Asset Value of the Company, a Sub-Fund or Class:
  - (i) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
  - (ii) where any amount in one currency is required to be converted into another currency the Directors may effect such conversion using such rates as the Directors shall determine to be the latest available exchange rate at the relevant time except where otherwise specifically provided herein;
  - (iii) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable including outstanding borrowings (if any) but excluding liabilities taken into account under subparagraph (ii) above and any estimated liability for tax on and such amount in respect of contingent or projected expenses as the Manager considers fair and reasonable having regard to the provisions of the Prospectus and the Articles of Association of the Company;
  - (iv) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a regulated market or if no such price is available a price certified by a stockbroker or other competent person approved by the Depositary or such price as the Directors consider in the circumstances to be reasonable using a method which is approved by the Depositary;
  - (v) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
  - (vi) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared;

- (vii) there shall be deducted from the assets the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable including accrued interest on borrowings (if any); and
  - (viii) the value of assets shall be rounded in such manner as may be determined by the Directors.
- (h) Without prejudice to their general powers to delegate their functions herein contained, the Directors may delegate any of their functions in relation to the calculation of Net Asset Value to the Manager, to a committee of the Directors or to any other duly authorised person. In the absence of wilful misconduct or manifest error, every decision taken by the Directors or any committee of the Directors or by the Manager or any duly authorised person on behalf of the Company in calculating the Net Asset Value shall be final and binding on the Company and on present, past and future Members.

#### 14. **TRANSFER AND TRANSMISSION OF SHARES**

- (a) All transfers of shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- (b) The instrument of transfer of a share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
- (c) A transfer of shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of shares less than the Minimum Holding or such other circumstances as may be specified in the Prospectus.
- (d) The Directors may decline to register any transfer of shares unless the instrument of transfer is deposited at the registered office of the Company or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer.
- (e) If the Directors decline to register a transfer of any share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- (f) The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** that such registration of transfers shall not be suspended for more than thirty days in any year.

- (i) Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy of the Member under legal disability.
- (j) A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

A representative of a corporation authorised pursuant to Article 19(m) to be present at any meeting of the Company shall be deemed to be a Member for the purpose of a quorum.
- (c) If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- (d) The chairman or, if absent, the deputy chairman of the Company, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors

be present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be chairman.

- (e) The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (f) At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the chairman or by at least five Members present or any Members present representing at least one tenth of the shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- (g) If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (h) The chairman may in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- (i) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- (j) A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.

- (m) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class or unless otherwise provided herein) may whether or not the Company is being wound up, be varied by Special Resolution of the Members of that class to which the provisions of these articles relating to general meetings shall apply *mutatis mutandis*, save that the quorum at any such general meeting shall be two or more Members present in person or by proxy together holding at least one-third of the shares of the relevant class.
- (n) Subject to Section 193 of the Act, a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the Company.

- (d) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS** that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- (h) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.

- (i) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid. - (j) No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- (k) The Directors may at the expense of the Company send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy.
- (l) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the registered office of the Company, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- (m) Any body corporate which is a Member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

If his appointor is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors and for the purposes of affixing the Company seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointor is a member. - (c) Notwithstanding Article 27(b), the Directors may also pay dividends on any class of Shares of the Company from the capital of the relevant Sub-Fund provided appropriate disclosure is made in the Prospectus in accordance with the requirements of the Central Bank.
- (d) The Directors may distribute in kind among Members by way of dividend or otherwise any of the assets of the Company.
- (e) Shares shall qualify for dividend in such manner as may be determined by the Directors.
- (f) Any declaration of a dividend by the Directors may specify that the same shall be payable to the persons registered as Members at the close of business on a particular date, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such dividend, of transferors and transferees of shares.
- (g) The Company may transmit any dividend or other amount payable in respect of any share by wire transfer (to a bank account nominated by the holder or where there are joint holders, to a bank account nominated by that one of the joint holders who is first named on the Register) or by cheque or warrant sent by ordinary post to the registered address of the Member, or, in the case of joint holders, to the person whose name and address appears first on the Register or any such other manner as may be prescribed in the Prospectus and shall not be responsible for any loss arising in respect of such transmission.
- (h) No dividend or other amount payable to any holder of shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the Company.
- (i) At the option of any Members, the Directors may apply all dividends declared on a class of shares held by such Member in the issue of additional

shares in that class in the Company to that Member at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Member shall be entitled to elect to receive a cash dividend in respect of the shares held by that Member.

- (j) The Directors may provide that Members will be entitled to elect to receive *in lieu* of any dividend (or part thereof) an issue of additional shares in that class credited as fully paid. In any such case the following provisions shall apply:
  - (i) the number of additional shares (including any fractional entitlement) to be issued *in lieu* of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
  - (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect of which the share election has been duly exercised (the “**Elected Shares**”), and *in lieu* thereof additional shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued shares;
  - (iii) the additional shares so issued shall rank *pari passu* in all respects with the fully paid shares then in issue save only as regards participation in the relevant dividend (or share election *in lieu*);
    - (A) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of shares becoming distributable in fractions so that, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues Fractional Shares; and
    - (B) the Directors may on any occasion determine that rights of election shall not be made available to any Member with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- (k) Where the Company proposes to pay a distribution to a Member, it shall be entitled to deduct from the distribution such amount as may be necessary to discharge the Company’s liability to tax in respect of such distribution and shall arrange to discharge the amount of tax due.
